

## **AAA 2023 Call for Proposals for Pre-Conference Sessions**

March 23-26, 2023

Curtis Hotel, Denver, Colorado, USA

### **Submission Deadline: August 31, 2022**

You are invited to submit a proposal for a full- or half-day pre-conference session concerning a topic important to you, your colleagues in the field of advertising, and the Academy. A pre-conference session is the perfect venue for a dialogue of ideas and/or an exploration of new opinions and approaches regarding advertising research and education.

A complete proposal should be submitted no later than August 31, 2022 to AAA President, Sela Sar at [selasar@illinois.edu](mailto:selasar@illinois.edu), for review by the Executive Committee. Please put "Pre-Conference Proposal" in the subject line of your email.

The preconference will take place Thursday March 23, 2023 with the full conference running from opening reception that evening through noon, Sunday, March 26 at the Curtis Hotel, Denver, Colorado.

Proposals should clearly indicate whether the session will take place over a full day or half day and must specify a rationale for the program, possible participants, and the timing and progression among topics. Preference is given to programs that will interest a number of AAA members and possibly attract new participants or attendees to the conference. Some past topics can be revisited. The proposal should also include "how" you plan to promote the pre-conference session.

The proposals must also include a statement that all presenters agree to register for the pre-conference and conference itself. Waivers of the registration fees for special participants such as advertising professionals or non-faculty may be requested on a case-by-case basis, and requests for all waivers must be included in the proposal. Following the conference, the pre-conference chair(s) will submit up to a two-page summary of the presentations to be published in the Conference Proceedings.
